I am authorized to sign this Certification on behalf of the company named above.

I understand that if my company fails to provide a timely and complete Certification, Consolidated Communications, Inc. (CCI) will consider the revenue it generates from services sold to my company as end-user revenue and CCI will contribute to the Federal Universal Service Fund (FUSF) on that revenue, as appropriate. I also understand that in such instance, CCI will assess my company a surcharge to recover the amount of its FUSF contribution, which my company will be obligated to pay.

Further, I understand that CCI is relying on the representations contained in this Certification and that CCI, therefore, will not contribute to the FUSF on the revenue generated from services sold to my company.

I understand that if any of the information or representations made in this Certification change, my company will notify CCI of any such change(s) within 30 days of the change and, if required by CCI, my company will submit a new Certification.

I understand that CCI may require my company to provide a new Certification on an annual basis.

I agree that CCI may provide a copy of this Certification to the Universal Service Administrative Company, the FCC, or other Parties as required by law.
