Voice Grade service is not offered under tariff. Refer to the appropriate state tariff for voice grade cable terminations.

Note: When completing Section III – TYPE AND NUMBER OF TERMINATIONS TO BE CABLED – please be sure to round up to the nearest ordering increment when indicating the number of terminations to be cabled. For example, if you are requesting 40 DS1s under a tariff where there is an ordering increment of 28, you must input 56 on the chart in Section III. If you input 40, Fidium will round to the nearest ordering increment, in this case 56, and will cable and bill accordingly.
