

Maine, New Hampshire, and Vermont

Manual Order Types & Manual LSR Provisioning Plans

Updated July 2025

Request Types Designed for Manual Handling

The following LSR transactions are designed to be manually processed.

- Resale Private Line (KB) – Grandfathered product
- Resale Frame Relay (LB)
- DID/DOD/PBX (NB)
- Centrex Resale (PB)
- ISDN (QB)
- AIN Service (RB)
- LIDB (SB)
- Unbundled Local Switching (FB)

All ASR orders require manual handling as they flow through the provisioning systems.
